ANTI-ESCAPE SYSTEM

The Brand New Cosatto Anti-Escape System

It's here. Another Cosatto first.
Car seat harnesses just got a
whole new level of security.

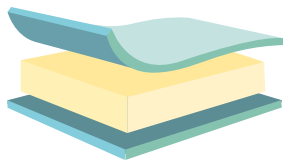

- Research shows that more than 70% of children wriggle out of their car seat harnesses, risking severe injury. That's unacceptable. Cosatto have built the solution.
- The Brand New Cosatto Anti-Escape System has been built working alongside the makers of the original, award-winning '5 Point Plus' harness system.
- In tests, 9 out of 10 children could not wriggle out of their Cosatto Anti-Escape System. That's a result.

The Cosatto Anti-Escape System.
Safer child. Safer you. Safer roads.
